Sanitation and drinking water projects

†2702. SHRI JAI PARKASH AGGARWAL: Will the Minister of RURAL DEVELOPMENT be pleased to state:

whether some of the projects like sanitation, drinking water suppjy and projects relating to rural areas development submitted by States particularly Delhi are pending with Central Government as on date;

the date since when these projects are pending; and

(c) the State-wise details of total funds provided for the implementation of such projects during the last three years and till date alongwith the names of these projects and areas for which the funds, have been allocated mentioning their year-wise achievement separately?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA): (a) to (c) Rural Drinking Water is a State subject. Central Government provides financial assistance to the State Governments through a centrally sponsored scheme namely, Accelerated Rural Water Supply Programme (ARWSP). Funds are allocated to all States under this programme and State Governments in turn make District-wise allocation, as all State Governments (including Delhi) are empowered to plan, sanction, implement and execute drinking water supply projects for rural areas development. Thus no proposal for sanction of rural water supply projects from any State (including Delhi) is pending at Central level. District-wise details of projects are not maintained by the Centre.

In rural sanitation sector, the Centre provides.assistance to the States through a centrally sponsored scheme, nemely Central Rural Sanitation Programme (CRSP), under which Total Sanitation Campaign (TSC) projects are sanctioned by a National Scheme Sanctioning Committee (NSCC). Four TSC projects-2 from Assam, I from Meghalaya and 1 from West Bengal, received after the last meeting of NSCC held on 20.2.2006, are pending with Central Government. The year-wise releases and achievements under TSC is enclosed as Statement.
